

DISCOVERING AFRICA

Discovering Africa is a specialist Tour Operator providing a complete travel solution to guests wishing to explore South and Southern Africa. Part of one of the oldest public listed companies, [Cullinan Holdings Ltd](#), we are also part owned by the family company [The Travel Corporation](#) (a global travel group renowned for its outstanding quality, service, value, reliability and financial stability). We are passionately committed to provide the perfect travel experience and focus on ensuring a trouble-free, unforgettable visit to our beautiful destination. Experts in tailor made packages, whatever your specific requirement, we will ensure that you have the best experience at a fair price.

Discovering Africa has provided a selection of sample accommodation options and packaged pre- and post- tours for the Cape Town Marathon. While these can be 'booked as they are', we would be equally delighted to create a tailor made package to meet your specific needs. Before or after the marathon, take advantage of our fully-guided scheduled tours and explore the magnificent Cape or even further afield! Our range of tours strike the harmonious balance between itineraries filled with memorable sights, but still allow guests enough freedom to unwind or explore at their leisure.

Discover Africa knowing that your every need is taken care of....
